We are delighted to welcome Mr Luke Pilkington as a temporary Art Teacher to Campbeltown Grammar School. He will work with us until summer, our permanent staff member Ms Livia Tambourrini starts in August.

Options 2025/26

Thank you to those who attending our Options Open Evening last week.

Our Option process for next year will start next week begining 3rd March. S3, S4 and S5 pupils will be interviewed by Guidance staff during this week their option choices for next year. There has been a slight update to the Option's Form since the Open Evening and pupils will have the most up to date copy.They will bring their forms home for you to view.

To give you full information of the subjects choices on offer there is an option booklet on our school website for you to download.

S2 STEM

STEM- Science, Technology, Engineering and Maths. Education and Skills Development day.

S2 pupils had a STEM day at MACC Base taking part in workshops, and a marketplace of employers and businesses to encourage them to explore aspects of STEM and their future career pathways. Some exhibitions and skills development opportunities were provided by Scottish fire and Rescue Services Police, Bakkafrost, Bam Nutall (amazing robot dog Spot!) NHS, Springbank Distillery, Forestry and Land Scotland, SAMS, and many more interesting and engaging examples of where the pupils futures may lie. Thanks to all involved for providing such an interesting and productive day.

Stronger Starts.

Thank you to everyone who chose to support us - and the other local causes - in the recent blue token customer vote.

We're already putting our grant to good use attending community activities for pupils in our Learning Centre!

THANK YOU
SO MUCH

Our S3 pupils, along with pupils from Tarbert, Islay and Lochgilphead High school, enjoyed a trip to Loch Eil Outdoor Centre where they took part in outdoor swimming, camping, hike and team building exercises.

What is Scholar?

Scholar is a highly renowned online learning platform for young people studying for National 5, Higher and Advanced Higher qualifications. Our 42+ courses match the knowledge and skills specified by the SQA, and all our content is written by experienced teachers.

How can Scholar help my child achieve?

Young people can use Scholar at any time, and on any device to:

- ✓ Revise for assessments, including prelims and SQA exams
- ✓ Boost confidence
- ✓ Increase understanding of complex topics
- ✓ Banish knowledge gaps

Take a look at our [Learning With Scholar](#) video to find out more.

How can my child access Scholar?

If your child is in S4-S6 in a subscribing local authority, and studying one or more Scholar courses, they will have an account. They can access their account [through Glow](#), or speak to their teacher for their unique [Scholar credentials](#).

Which courses are available?

Mathematics and Sciences				English and Languages				Humanities and Social Sciences
