ALIENERGY

Argyll, Lomond & the Islands Energy Agency

Last week representatives from ALIENERGY came to run STEM workshops for our S1 classes. They each got to take part in experiments relating to renewable energy and had to decide which they felt was the most efficient. There was also the opportunity to decide where to place a wind farm, hydro dam and solar farm on a map. Our S1 pupils greatly enjoyed taking part.

Well Done to Mrs Osborne's Practical Cookery class who took part in the World's Biggest Coffee Morning and raised £92.07 for MacMillan Cancer Support. We weren't quick enough to get a picture of all the lovely cakes because they were so popular and sold extremely quickly!! Well Done S4!

Feedback Please!

We are keen to re-shape our School Prizegiving and would like to seek your views and ideas. Could you please complete the questionnaire below? Thank you.

The link has also been sent out separately.

S3 Bake Sale Success!

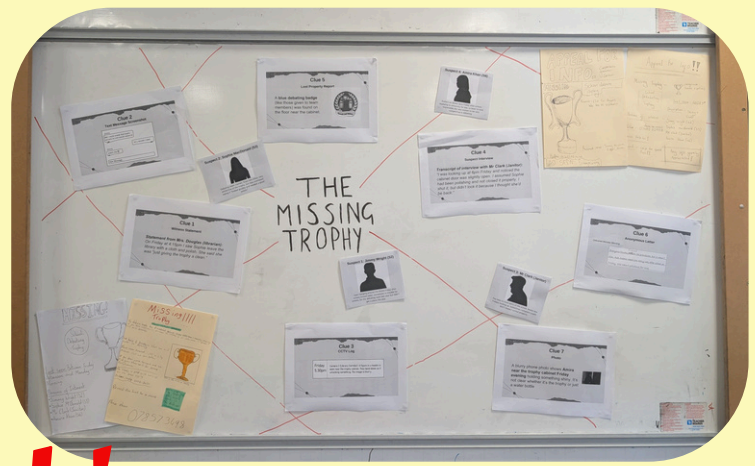

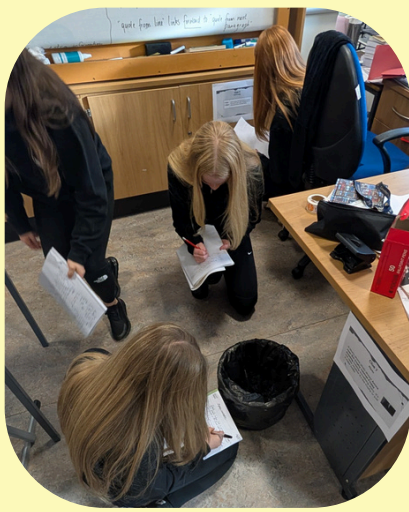

Our S3 pupils held a fantastic bake sale during Parents' Evening to raise funds for their upcoming theatre trip.

Thanks to the generosity of our parents, pupils, and staff, the event was a sweet success, raising £110!

A special thank you to all staff and pupils who contributed delicious baking, and to S3 pupils Freddy, Alice, Amber, and Dhalia for giving their own time to run the stall so enthusiastically.

THANK YOU
SO MUCH

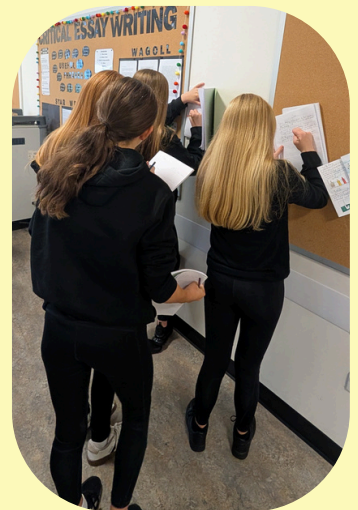

English!

This week in English, our S2 pupils transformed into detectives on a mission to crack the case of the missing Debate Trophy! They threw themselves into the task with enthusiasm, carefully analysing the case files, examining suspects, and spotting gaps in the evidence that needed further investigation. Their engagement has been fantastic, and it's been impressive to see how thoughtfully they are considering each clue.

Next, they hunted for evidence, took detailed notes, and organised their findings with care. Using sharp critical thinking skills, they weighed which pieces of information were the most reliable.

With their evidence in hand, the detectives built strong cases, ready to present their arguments to the jury. Armed with persuasive language and logical reasoning, they are determined to unmask the culprit once and for all.

Stay tuned for the next edition to discover which team will triumph in the trial and claim victory!

S1 PARENTS' EVENING

On Tuesday, 30th September, we were delighted to welcome parents, carers, and our S1 pupils to the first Parents' Evening of the academic year at Campbeltown Grammar School. It was a wonderful occasion, marked by meaningful and informative conversations between teachers, parents/carers, and pupils.

These events play a vital role in supporting the growth and success of our young people. Working in partnership with families is essential for our pupils to thrive both academically and personally.

Thank you to all the staff for their dedication, and to the pupils who attended to support the evening, including Finlay Wilson and Hannah Gilchrist, our SCQF Ambassadors; our Barista pupils, Neve Wilson and Morgan Grant; and our Bake Sale pupils, Freddy Sass, Alice Taverner, Dhalia Techner, and Amber Glen.

Special thanks to Mrs Osborne, Miss C. Spree, and Miss H. Spree for organising the Bake Sale and Barista Service.

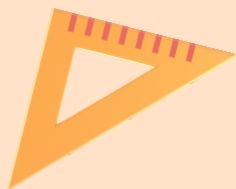

Thank you for your continued support!

Dates for your Diary

Halloween Dance	28 th October	7pm - 9pm
S2 Parent's Evening	4 th November	5pm - 7pm
Staff In-Service Day Pupil Holiday	24 th November	Pupils return Tuesday 25 th November
