🎵 Mid Argyll Music Festival 🎵

Hannah Millar won the S4-S6 Vocal Solo and was also awarded the overall cup for the highest mark in vocal solo.

Congratulations Hannah, we will miss your lovely singing voice at CGS, we hope you keep singing during your next chapter!

We are delighted to share that the building of our new Polycrub is now complete. This exciting new facility is a fantastic addition to our school and will open up a wide range of meaningful learning opportunities for our young people, while further strengthening connections across the CGS community.

With the build finished, we now look forward to making full use of the Polycrub and to the hands-on, outdoor learning experiences our learners will enjoy in this space. Thank you McKinven and Colville for carrying out the build for us.

Our Sports Ambassadors organised a Pupils v Staff Basketball game at the end of last term

Congratulations to Taylor who performed at the Royal Concert Hall in Glasgow with the National Youth Pipe Band of Scotland (NYPBS) in their concert, Dùthchas. The NYPBS is a community which brings pipers and drummers from all over Scotland together to explore new ideas and what is possible outside of the competitive setting. It is an application process with interviews and performances which if successful, you are selected and allocated a band based on certain factors. This is a tremendous achievement for Taylor, and she is one of the first KSPB pipers to apply to be part of the NYPBS programme which we are all so very proud of.

Over the winter months, Taylor has travelled to practices, often giving up her time at the weekend, and has improved her musical skills by learning more challenging concert material. She has juggled this whilst studying for her Higher Qualification and has shown great dedication and commitment. Taylor hopes to continue with NYPBS next year and is aiming to one day play with their senior band.

Well done, Taylor
